DermPath Diagnostics

800 W. Randol Mill Road, Arlington, TX 76012

Alicia Schnebelen, M.D. is a board-certified dermatopathologist for DermPath Diagnostics in Arlington, Texas. Dr. Schnebelen received her medical education at the University of Arkansas for Medical Sciences. After serving as chief resident of Pathology at the University of Arkansas, she completed a fellowship in dermatopathology. Her specialty instruction included a secondary emphasis on soft tissue pathology and extensive cross-training in clinical dermatology.

Dr. Schnebelen is a successfully published author and has been featured three times as a speaker in the prestigious "Duel in Dermatopathology" competition at the American Society of Dermatopathology annual meeting. She is a past recipient of the national Arthur Purdy Stout Society Trainee Award for pathologists in training. Her interests include inflammatory dermatopathology and cutaneous soft tissue neoplasms.
